

Cloud Communications **BENEFITS**

FOR POLICE & FIRE DEPARTMENTS

Everything from cost savings to measurable increases in system reliability, efficiency, and productivity. Keep all of your locations and departments seamlessly connected.

■ **A COMPLETE UC SOLUTION FOR PD & FD**

WORK SMARTER, NOT HARDER

A Unified Communications system has all the benefits a PD or FD could need. But what about its practical use in day-to-day operations?

- **Call Recording.** Record calls by extension or call group.
- **Communicate on the go.** Your work line is accessible from anywhere.
- **Eliminate Extra Costs.** Assign virtual extensions and voicemail boxes.
- **Stress-free service.** Dedicated project manager and white-glove deployment.
- **Single Voice Solution.** Improve internal communications between departments, townships, and more.
- **Outbound Caller ID.** All phones and soft phones are configured with the main number, protecting personal privacy.
